

Winter's Tale

4/4 Time

Intro [C] [G7] [C] [C//]

[C/] The [C] nights are [G] colder [F] now
[Am] maybe I should close the [F] door
And anyway the [C] snow has [G7] covered all your [Am] footsteps
And I can [F] follow you no [G] more.
The [C] fire still [G] burns at [F] night
My [Am] memories are warm and [F] clear
But everybody [C] knows Its [G7] hard to be a-[C]-lone this [G7] time of [C//] year

Chorus

[C] It was only a Winters [G7] tale [C] just another [C7] winters [F] tale
And [C] why should the world take [F] notice of [C] one more love that's [G] failed
It's a [C] love that will never [G7] be though it [C] meant a lot to [C7] you and [F] me
On a [C] world wide scale we're [G7] just another winters [C] tale

[C] While I [G] stand a-[F]-lone,
A [Am] bell is ringing far a-[F]-way
I wonder if you [C] hear, I [G7] wonder if your [Am] listening
I [F] wonder where you are to-[G]-day.
Good [C] luck I [G] wish you [F] well
For [Am] all that wishes may be [F] worth
I hope that love and [C] strength are [G7] with you for the [F] length of your [G7] time on
[C] earth

[C] It was only a Winters [G7] tale [C] just another [C7] winters [F] tale
