

**Count 1 2 , 1 2** *Note each bar is two beats*

**Intro: Instrumental Verse**

[G] \_ I hear the [C] dri\_zzle [C] of the [G] rain [G]  
[Am] \_ Like a [Em] memo-[C]ry it [D7] falls [D7]  
[G] \_ Soft and [Bm] warm con-[G]tinu-[C]ing [C]  
[Am] \_ Tapping [Em] on my [D] roof and [G] walls [G]

[G] \_ I hear the [C] dri\_zzle [C] of the [G] rain [G]  
[Am] \_ Like a [Em] memo[C]ry it [D7] falls [D7]  
[G] \_ Soft and [Bm] warm con-[G]tinu-[C]ing [C]  
[Am] \_ Tapping [Em] on my [D] roof and [G] walls [G]

[G] \_ And from the [C] shel\_ter [C] of my [G] mind [G]  
[Am] \_ Through the [Em] window [C] of my [D7] eyes [D7]  
[G] \_ I gaze be-[Bm]yond the [G] rain-drenched [C] streets [C]  
[Am] \_ To England, [Em] where my [D] heart [G] lies [G]

[G] \_ My mind's dis-[C]trac\_ted [C] and dif-[G]-fused [G]  
[Am] \_ My thoughts are [Em] many [C] miles a-[D7]way [D7]  
[G] \_ They lie with [Bm] you when [G] you're a-[C]sleep[C]  
[Am] \_ And kiss you [Em] when you [D] start your [G] day [G]

[G] \_ And a song I was [C] wri\_ting is [C] left un-[G]done [G]  
[Am] \_ I don't know [Em] why I [C] spend my [D7] time [D7]  
[G] \_ Writing [Bm] songs I [G] can't be-[C]lieve [C]  
[Am] \_ With words that [Em] tear and [D] strain to [G] rhyme [G]

[G] \_ And so you [C] see, I have [C] come to [G] doubt [G]  
[Am] \_ All that [Em] I once [C] held as [D7] true [D7]  
[G] \_ I stand a-[Bm]lone with-[G]out be-[C]liefs [C]  
[Am] \_ The only [Em] truth I [D] know is [G] you [G]

[G] \_ And as I [C] watch the [C] drops of [G] rain [G]  
[Am] \_ Weave their [Em] weary [C] paths and [D7] die [D7]  
[G] \_ I know that [Bm] I am [G] like the [C] rain [C] *slowing down*  
[Am] \_ There but for the [Em] grace of [D] you go [G] I [C] [G]
