

Maggie Foster and Allen. 4/4

Intro: Instrumental verse

They [G] say we have outlived our [D] time Maggie
As [A] dated as [E7] songs that we've [A] sung [A7]
But to [D] me you're as [D7] fair as you [G] were Maggie
When [D] you and [A7] I were [D] young

I [D] wandered today to the [G] hills Maggie
To [D] watch the scene [A] below
The [D] creek and the creaking old [G] mill Maggie
As we [D] used to [A7] long, long [D] ago

The [G] green grove is gone from the [D] hills Maggie
Where [A] once the [E7] daises [A] sprung [A7]
The [D] creaking old [D7] mill is [G] still Maggie
Since [D] you and [A7] I were [D] young

Oh, they [D] say I am feeble with [G] age Maggie
My [D] steps are much slower than [A] then
My [D] face is a well written [G] page Maggie
And [D] time all a-[A7]-lone was the [D] pen

I [D] wandered today to the [G] hills Maggie
To [D] watch the scene [A] below
The [D] creek and the creaking old [G] mill Maggie
As we [D] used to [A7] long, long [D] ago
