

Caledonia Dougie McClean 3:4 time

Intro: [C][F][C][G]

[C] I don't know if [G] you can see
The [Am] changes that have come [F] over me
In these [C] last few days I've [G] been afraid
That [Am] I might drift a-[F]way [F]
I've been [C] telling old stories, [G] singing songs
That [Am] make me think about [F] where I come from
[C] That's the reason [G] why I seem
So [Am] far away to-[F]day [F]

Chorus

[C] Let me tell you that I [G] love you,
That I [Am] think about you all the [F] time
[C] Caledonia you're [G] calling me, now I'm [C//] go-[G/] ing [C] home,
But [C] if I should become a [G] stranger,
You know that [Am] it would make me more than [F] sad
[C] Caledonia's been [G] everything I've ever [C] had [F] [C] [G]

Now [C] I have moved and [G] kept on moving,
[Am] Proved the points that I [F] needed proving
[C] Lost some friends that I [G] needed losing,
Found [Am] others on the [F] way [F]
[C] I have tried and [G] kept on trying,
[Am] Stolen dreams, yes there's [F] no denying
I've [C] travelled hard sometimes with [G] conscience flying,
[Am] Somewhere with the [F] wind [F]

Chorus

Now I'm [C] sitting here be-[G]fore the fire,
The [Am] empty room, a [F] forest choir,
The [C] flames have cooled, don't get [G] any higher
They've [Am] withered now they're [F] gone [F]
But I'm [C] steady thinking my [G] way is clear
And I [Am] know what I will [F] do tomorrow
When [C] hands have shaken, the [G] kisses flowed,
Then [Am] I will disap-[F]pear [F]

Chorus x2

Then repeat final line of chorus more slowly:

[C] Caledonia's been [G] everything I've ever [C] had [F] [C] [G] [C]
