[C] [A7] [D7//] [G7//] [C]

[C//] First [G//] saw him on a [C] TV screen, [C//] a little [G//] box black and [C] white  
[G] He made a sound I never [Am] heard before, I [D7] didn't sleep that [G7] night  
[C//] He brings [G//] joy into my [C] lonely life, like [E7] flowers on my window [F] sill  
And [F] it ain't over 'til the [C//] fat man [A7//] sings  
So, I'm [D7//] walkin' back to [G7//] Blueberry [C//] Hill [G7//]

The [C//] way he [G//] sang about [C] New Orleans, [G] the way the band could [C] play  
[G] Didn't go to work, went to the [Am] record store and I [D7] played that song all [G7] day  
[C//] It's hard to [G//] love a [C] cheatin' wife, [E7] feels like I've been through the [F] mill  
But [F] it ain't over 'til the [C//] fat man [A7//] sings  
So, I'm [D7//] walkin' back to [G7//] Blueberry [C] Hill, [C] ain't [Cmaj7] that [C7] a

## [Bridge]

[F] shame, we don't tingle as those [F] nimble fingers  
[C] Linger on those ivory [C//] keys, you're the [Cmaj7] one [C7] to [F] blame,  
Came home early from the [D7] money makin'  
There's a [G7] whole lotta shakin' goin' [G7] on with Jerry Lee

[C//] Well, I [G//] take a bus to [C] Louisiana\*, [G] to get back on my [C] feet  
[G] I play guitar in a [Am] honky tonk bar and I [D7] lived down Bourbon [G] Street  
[C//] Maybe I'll [G//] ring that [C] Southern belle, [E7] maybe I'll find my [F] thrill  
'Cause [F] it ain't over 'til the [C//] fat man [A7//] sings  
So, I'm [D7//] walkin' back to [G7//] Blueberry [C] Hill, [C] ain't [Cmaj7] that [C7] a

## [Repeat Bridge]

[F] shame, we don't tingle as those [F] nimble fingers  
[C] Linger on those ivory [C//] keys, you're the [Cmaj7] one [C7] to [F] blame,  
Came home early from the [D7] money makin'  
There's a [G7] whole lotta shakin' goin' [G7] on with Jerry Lee

[C//] She says she'll [G//] change her [C] cheatin' ways, [E7] but I know she never [F] will  
An' [F] it ain't over till the [C//] fat man [A7//] sings  
So, I'm [D7//] walkin' back to [G7//] Blueberry [C] Hill [Cmaj7] [A7//]  
I'm [D7//] walkin' back to [G7//] Blueberry [C] Hill .....[C], [C6], [C], [C7]
