

**Intro:** [G7] [C//] [C]

[NC] In the [C] town where I was [F] born  
Lived a [Dm] man who sailed the [G7] sea.  
And he [C] told us of his [F] life  
In the [Dm] land of subma-[G7]-rines.

So we [C] sailed up to the [F] sun  
Till we [Dm] found the sea of [G7] green,  
And we [C] lived beneath the [F] waves  
In our [Dm] yellow subma-[G7]-rine.

[C] We all live in a [G7] yellow submarine,  
Yellow submarine, [C] yellow submarine.  
[C] We all live in a [G7] yellow submarine,  
Yellow submarine, [C] yellow submarine.

And our [C] friends are all [F] aboard,  
Many [Dm] more of them live next [G7] door,  
And the [C] band begins to [F] play.  
Ba-ba ba-[C] ba, ba-ba ba-ba, Ba-ba ba-ba, ba-ba ba-ba

[C] We all live in a [G7] yellow submarine,  
Yellow submarine, [C] yellow submarine.  
[C] We all live in a [G7] yellow submarine,  
Yellow submarine, [C] yellow submarine.

As we [C] live a life of [F] ease,  
Every-[Dm]-one of us has all we [G7] need.  
Sky of [C] blue and sea of [F] green  
In our [Dm] yellow subma-[G7]-rine.

[C] We all live in a [G7] yellow submarine,  
Yellow submarine, [C] yellow submarine.  
[C] We all live in a [G7] yellow submarine,  
Yellow submarine, [C] yellow submarine.
