

Fields of Gold in G,

artist:Sting

4 / 4

Intro: [Em] [C//] [G//] [C//] [D7//] [G]

You'll re-[Em]member me when the [C] west wind moves,
Up-[D7] on the fields of [G] barley
You'll for-[Em]get the sun in his [C//] jealous [G//] sky,
As we [C//] walk in the [D7//] fields of [G] gold

So she [Em] took her love for to [C] gaze awhile,
Up-[D7] on the fields of [G] barley
In his [Em] arms she fell as her [C//] hair came [G//] down,
A-[C//]mong the [D7//] fields of [G] gold

Will you [Em] stay with me, will you [C] be my love,
A-[D7]mong the fields of [G] barley
We'll for-[Em]get the sun in his [C//] jealous [G//] sky,
As we [C//] lie in the [D7//] fields of [G] gold

See the [Em] west wind move like a [C] lover so,
Up-[D7] on the fields of [G] barley
Feel her [Em] body rise when you [C//] kiss her [G//] mouth,
A-[C//]mong the [D7//] fields of [G] gold

[C] _ I never made [G] promises lightly,
[C] _ And there have been [G] some that I've broken
[C] _ But I swear in the [G] days still left,
We'll [C//] walk in the [D7//] fields of [G] gold
We'll [C//] walk in the [D7//] fields of [G] gold

Instrumental: ~~You'll re [Em]member me when the [C] west wind moves,~~
~~Up [D7] on the fields of [G] barley~~
~~You'll for-[Em]get the sun in his [C//] jealous [G//] sky,~~
~~As we [C//] walk in the [D7//] fields of [G] gold~~

Many [Em] years have passed since those [C] summer days,
A-[D7]mong the fields of [G] barley
See the [Em] children run as the [C//] sun goes [G//] down,
A-[C//]mong the [D7//] fields of [G] gold

You'll re-[Em]member me when the [C] west wind moves,
Up-[D7] on the fields of [G] barley
You can [Em] tell the sun in his [C//] jealous [G//] sky,
When we [C//] walked in the [D//] fields of [G] gold
When we [C//] walked in the [D//] fields of [G] gold *slowing*
When we [C//] walked in the [D//] fields of [G//] gold [Gsus4//] [G//] [Gsus4//][G]
