Intro: A CAPELLA (First note is G)

In South Australia I was born,

All Heave away, haul away

In South Australia round Cape Horn,

All We're bound for South Australia

CHORUS **ALL** [C] Haul away you [F//] rolling [C//] kings,
[F//] Heave a[C//]way, [F//] haul a[C//]way
[C] Haul away, you'll [F//] hear me [C//] sing,
We're [C] bound for South Aus[G7//]tra[C]lia

As [C] I walked out one [F//] morning [C//] fair,
All [F//] Heave a[C//]way, [F//] haul a[C//]way
'Twas [C] there I met Miss [G7//] Nancy [C//] Blair,
All We're [C] bound for South Aus[G7//]tra[C]lia

CHORUS

I [C] shook her up and I [F//] shook her [C//] down,
All [F//] Heave a[C//]way, [F//] haul a[C//]way
I [C] shook her round and [G7//] round the [C//] town,
All We're [C] bound for South Aus[G7//]tra[C]lia

CHORUS

I [C] run her all night and I [F//] run her all [C//] day,
All [F] Heave a[C//]way, [F//] haul a[C//]way
And I [C] run her until we [G7//] sail a[C//]way,
All We're [C] bound for South Aus[G7//]tra[C]lia

CHORUS

[C] There's just one thing [F//] on my [C//] mind,
All [F//] Heave a[C//]way, [F//] haul a[C//]way
To [C] leave Miss Nancy [G7//] Blair be[C//]hind,
All We're [C] bound for South Aus[G7//]tra[C]lia

CHORUS

And [C] as we wallop a[F//]round Cape [C//] Horn,
All [F//] Heave a[C//]way, [F//] haul a[C//]way
You'll [C] wish to God you'd [G7//] never been [C//] born,
All We're [C] bound for South Aus[G7//]tra[C]lia

CHORUS

I [C] wish I was on Aus[F//]tralia's [C//] strand,
All [F//] Heave a[C//]way, [F//] haul a[C//]way
With a [C] bottle of whiskey [G7//] in my [C//] hand,
All We're [C] bound for South Aus[G7//]tra[C]lia

CHORUS [C] Haul away you [F//] rolling [C//] kings,
[F//] Heave a[C//]way, [F//] haul a[C//]way
