Cliff Richard

3 / 4

Intro: [E7] [E7] [A] A

[A] When I was young my [D] father said,
[E7] 'Son, I have something to [A] say.'
[A] And what he told me I'll [D] never forget
Un[E7] til my dying [A] day

[E7] He said [A] 'Son, you are a [D] bachelor boy,
And [E7] that's the way to [A] stay.
[A] Son, you be a [D] bachelor boy
Un[E7] til your dying [A] day.'

[A] When I was sixteen I [D] fell in love
With a [E7] girl as sweet as can [A] be
[A] But I remembered [D] just in time,
What [E7] daddy said to [A] me.

[E7] He said [A] 'Son, you are a [D] bachelor boy,
And [E7] that's the way to [A] stay
[A] Son, you be a [D] bachelor boy
Un[E7] til your dying [A] day.'

[A] As time goes by I [D] probably will
[E7] Meet a girl and [A] fall in love.
[A] Then I'll get married, have a [D] wife and a child,
And [E7] they'll be my turtle [A] doves.

[E7] But until [A] then I'll be a [D] bachelor boy,
[E7] That's the way I'll [A] stay,
[A] Happy to be a [D] bachelor boy,
Un[E7] til my dying [A] day,

[E7] Yeah...[A] I'll be a [D] bachelor boy,
[E7] That's the way I'll [A] stay.
[A] Happy to be a [D] bachelor boy,
Un[E7] til my dying [A] day A
