Count 1, 2, 1 2 3 [A/] [D///] [A/] [D///]

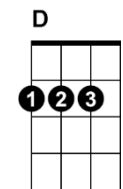

[A/] Say good-[D]bye my own true [A/] lover
As we [A/] sing a lover's [D] song
How it [G] breaks my heart to [D] leave you
Now the [G] carnival is [A] gone

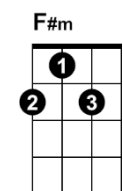

High a-[D]bove, the dawn is [A] waking
And my [A] tears are falling [D] rain
For the [G] carnival is [D] over
We may [G///] never [A/] meet a-[D]gain

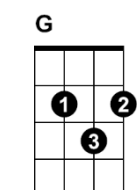

Like a [G///] drum, my [A/] heart was [D] beating
And your [G///] kiss was [A/] sweet as [D] wine
But the [G///] joys of [A/] love are [F#m] fleeting
For Pier-[G]rot and Colum-[C///]bine

[A/] Now the [D] harbour light is [A] calling
This will [A] be our last good-[D]bye
Though the [G] carnival is [D] over
I will [G///] love you [A/] till I [D] die

Like a [G///] drum, my [A/] heart was [D] beating
And your [G///] kiss was [A/] sweet as [D] wine
But the [G///] joys of [A/] love are [F#m] fleeting
For Pier-[G]rot and Colum-[C///]bine

[A/] Now the [D] harbour light is [A] calling
This will [A] be our last good-[D]bye
Though the [G] carnival is [D] over
I will [G///] love you [A/] till I [D] die
Though the [G] carnival is [D] over *slowing down*
I will [G///] love you [A/] till I [D///] die [A/] [D///] [A/] [D//] [D]
